HYDE WALKING AWAY WITH IT

During our first week of the 2026 Big Walk and Wheel Anson is place 54th in the country!

With over 1000 journeys recorded where children have walked or wheeled their way to school every pupil taking part has done a little bit towards helping the planet, creating cleaner air and getting that little bit fitter too. Last year we managed 2,271 journeys. Can we beat that this year?

Let's work together to make it happen. Take time this week to leave the car at home and use your legs instead. Hop on a bus for part of the journey if you need to, but let's encourage the children to walk or wheel their way to school.

1,008	Total journeys The total number of journeys recorded in Big Walk and Wheel 2026.
76.37%	Daily average score This is the current average daily score based on a percentage of the school roll. If the school takes part in more than five days, this will be based on their best five days.
54 / 1171 Large primary schools	Overall position in challenge Based on the daily average score for this school. View overall positions
2271	Total journeys in Big Walk and Wheel 2025 Can Anson Primary School beat the number of journeys logged in last years challenge?

The overall leading class badge is held by...
5H - Hyde (2025-26) with 109 journeys
