## YEAR 6 SATS: CELEBRATING SUCCESSSES

**This week, our Year 6 pupils approached their SATs with remarkable calmness, confidence and maturity. They understood that these assessments were an opportunity to show what they have learned and how far they have come. Their positive attitude allowed them to give themselves the very best chance to shine. We could not be prouder of the determination, resilience and focus they demonstrated throughout the week.**

Since joining our school (whether in Nursery or earlier this year) the children have made tremendous progress in reading, writing and mathematics. Indeed their progress across the curriculum has impressed us all. They have grown in knowledge, independence and self-belief, and their hard work has been clear for all to see. However, while academic achievement is important, we know that the qualities which truly shape the future must go far beyond test results.

Creativity, innovation, friendship, teamwork and kindness are the values that will move society forward. Our Year 6 pupils have shown these qualities through the way they support one another, embrace new ideas and contribute positively to school life. The resilience and confidence they have developed also prepares them for challenges ahead.

Whatever results come for each pupil in July following the SATs we are immensely proud of every one of them and look forward to seeing them continue to shine during their final few weeks with us before they each embark on their exciting next chapter.

## SAND RECALL

**You may have read about multiple brands of children's coloured play sand and craft kits in the UK being recalled due to asbestos contamination.**

We want to reassure the community that we do not use any of the recalled products in our school. We have removed all coloured play sand (not on the recall list) as a precaution at this time until we receive further information from the Government.
