What do we learn?

National Curriculum

There is a transition from Early Years.

“Play is Learning”

Gradual change towards “Playing with Learning.”

National Curriculum

Reception “Play is Learning”

Children learn through exploring, imagining, pretending, experimenting, creating and interacting. Play is the vehicle through which children make sense of the world.

National Curriculum

Year One

“Playing with Learning”

We begin to make the learning more explicit. Children still explore, investigate, create and play — but now they are deliberately playing with knowledge, language, numbers, stories, materials and ideas.

National Curriculum

Enriched by:

Hands on learning
Using the school environment
Guest speakers and events
Visits and trips
Giving children a voice

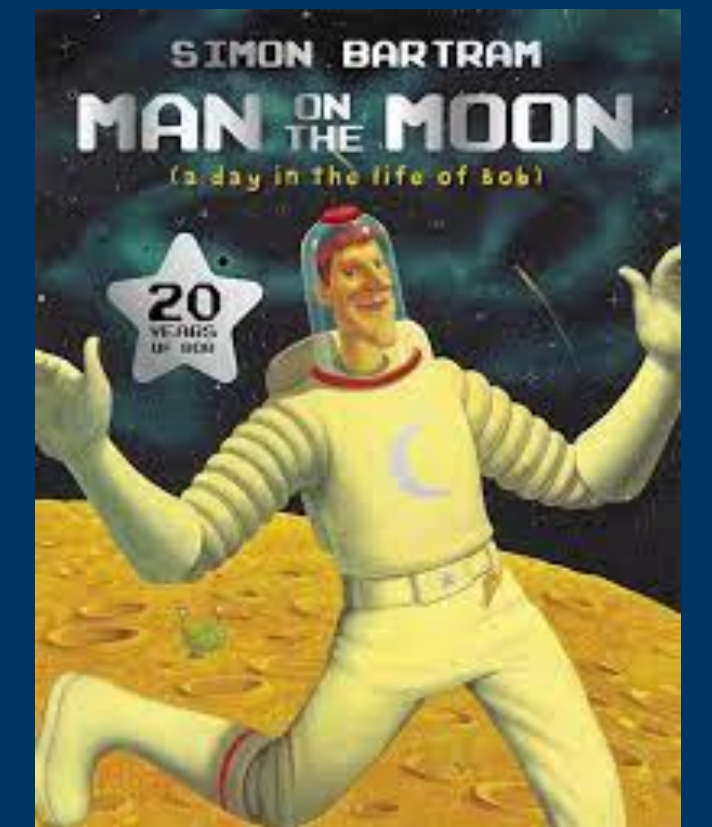

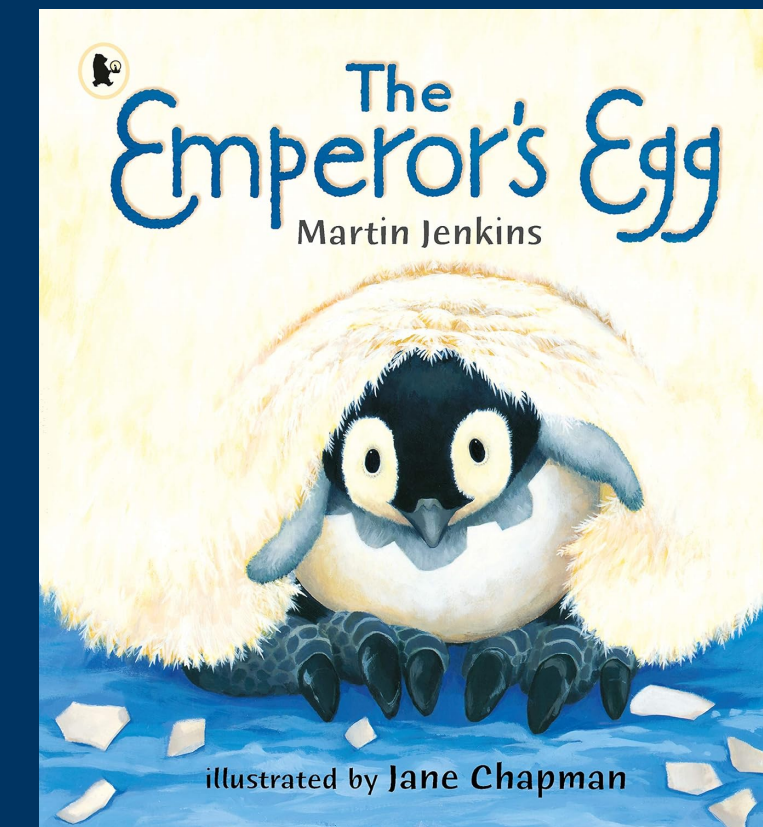

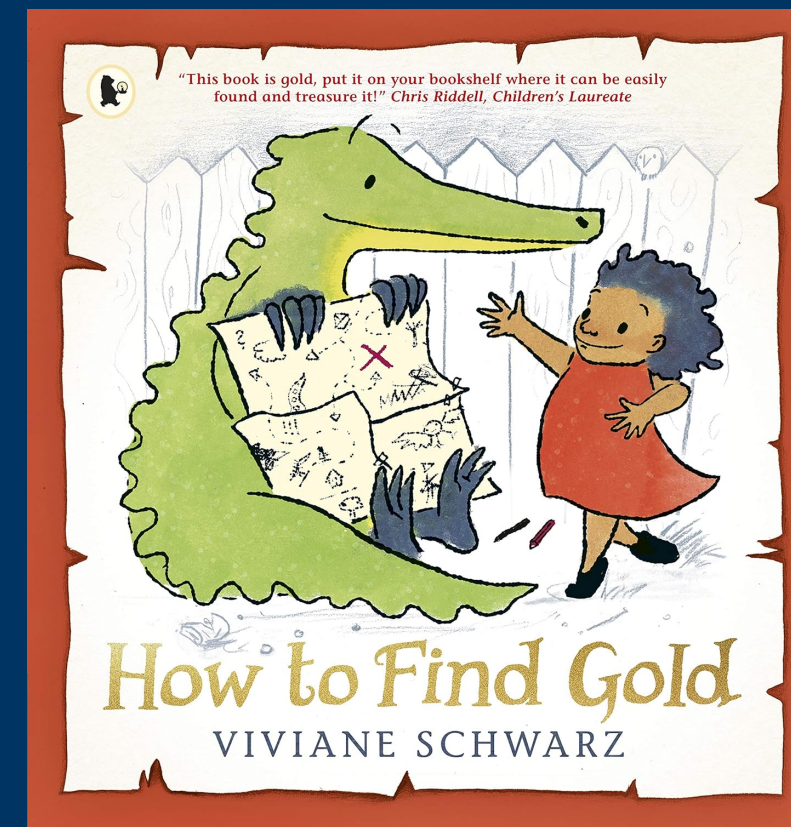

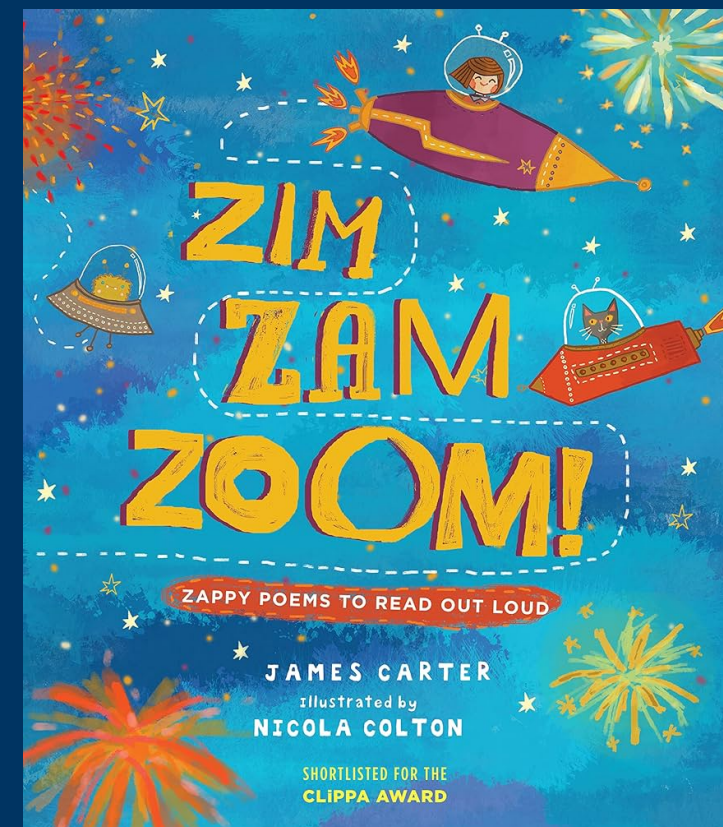

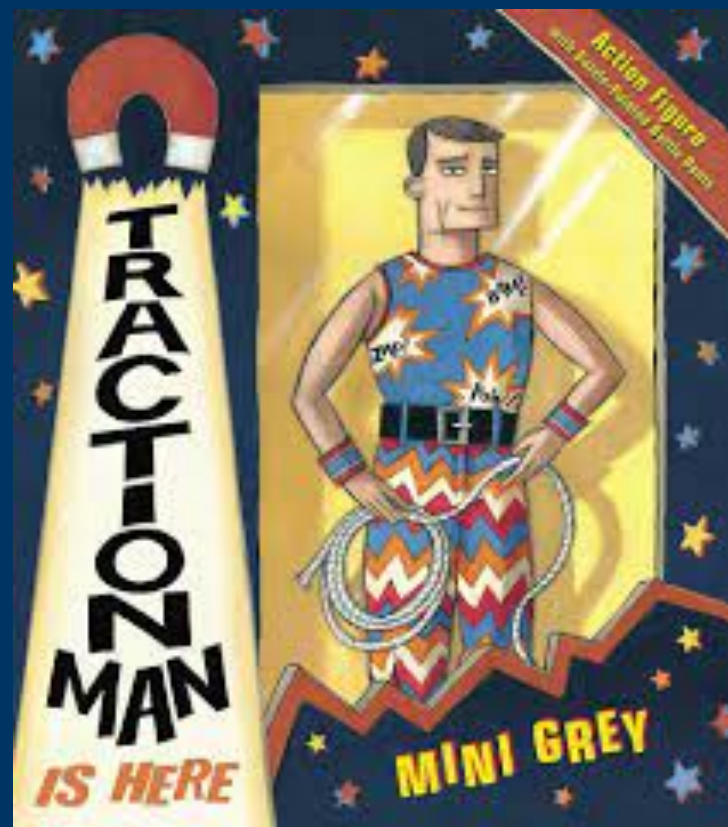

National Curriculum

English
Mathematics
Science
Art and Design
Computing

Design and Technology
Geography
History
Physical Education
Religious Education
PSHE

Power of Reading

We draw out reading, writing, art, drama and many other subjects through books.

White Rose Maths

Mathematics follows the same programme
from Reception to Year 6.

Reading

We encourage every child to read each day.
We also encourage parents to read to their children each evening before bedtime.

Phonics Check

Children in Year One take the Phonics Check in the summer term.

We work together to meet the goals.

You can help at home.

Supporting Phonics

- Practise sounds and tricky words every day
- Read every day
- Name writing practice
- Sentence writing skills
- Extra websites and activity ideas in packs

Homework

Homework in Year 1 is:
