WELCOME BACK TO ANSON

It was so lovely to see so many of our children coming through the doors of Anson this morning after the long summer holiday.

The summer has been very successful at Anson with new

windows installed in the school hall, new electrical works across the school and the big challenge of installing a brand new roof.

The roof is almost complete with Amber Construction due to finish ahead of schedule next week.

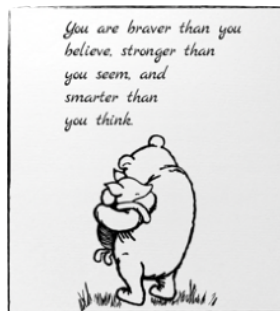

In the meantime it is business as usual. We have a year of exciting opportunities and experiences for the children and lots of opportunities for you to get involved as parents too. We look forward to connecting with all of you over the next few days.

THE YEAR OF THE YES CHILDREN

Our first assembly of the new year took a look at why it is important to take on new challenges with a positive attitude.

The staff shared some of the activities that they had tried for the first time over the holiday and we learned a lot about finding new hobbies, learning new things and discovering things we don't like

along the way. The children were all encouraged to embrace the challenges which will be offered to them this year and to share their experiences with us.

PARENT MEETINGS FOR THE 2025-26 SCHOOL YEAR

We are changing the content of the parent meetings for this academic year.

Starting on Tuesday, 9th September parents are invited to join the class teachers to find out more about the ways they can support learning at home to ensure their child has a successful year at Anson.

However, for those parents with multiple children the meetings

can be very repetitive. So, this year we will be releasing a recording of the general information you need to know for the year ahead. This means the parent meetings will be more focused on each year group. We hope this helps all parents, particularly those unable to attend or who join us throughout the year. Please see the times above.

WHERE DO I GO AT THE END OF THE DAY?

The new year can be confusing as the children move to different places in the school.

At the end of the school day you'll need to know where to go to pick up your child. So here is your guide:

Reception

All Reception children should be collected from the back of their classrooms.

Please use the entrance to the main school office and follow the signs.

iQ (Miss Garcia)

The children will be dismissed from the small room by the Dining Room.

Please wait near the bike shelter.

iR (Miss Figueira)

The children will be dismissed through the playground at the rear of their class. Please wait by the orange gate.

Year Two

Both classes are dismissed from the Dining Room. Please wait near the Anson Mural.

Year Three

The children will be brought out to the playground. Please wait near the playground gate or neighbouring flats.

Year Four

The children will be dismissed from their classroom. Please wait under the blue sail.

Year Five

The children will be dismissed from their classroom. Please wait by the outdoor stage.

Year Six

The children will be brought out to the playground. Please wait near the playground gate or neighbouring flats.

SCHOOL EVENTS UP TO HALF TERM

Take a look at the image below. This details the school events up to and including the October Half Term.

The events in pink are Friends of Anson events with the first big event the Freaky Friday Disco just before Half Term.
